## COMMISSION DECISION

of 14 March 2000

**listing the areas of Spain eligible under Objective 2 of the Structural Funds for the period 2000 to 2006**

(notified under document number C(2000) 571)

(2000/264/EC)

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

for the period 2000 to 2006. The ceiling for Spain is 8 809 000 inhabitants.

Having regard to the Treaty establishing the European Community,

- (4) Article 4(4) of Regulation (EC) No 1260/1999 states that the Commission, on the basis of proposals from the Member states and in close concertation with each Member State concerned, is to draw up a list of the areas eligible under Objective 2 with due regard to national priorities, without prejudice to the transitional support provided for in Article 6(2) of that Regulation.

Having regard to Council Regulation (EC) No 1260/1999 of 21 June 1999 laying down general provisions on the Structural Funds <sup>(1)</sup>, and in particular the first subparagraph of Article 4(4) thereof,

After consulting the Committee on the Development and Conversion of Regions, the Committee on Agricultural Structures and Rural Development and the Committee on Structures for Fisheries and Aquaculture,

- (5) Article 4(11) of Regulation (EC) No 1260/1999 provides that each list of areas eligible under Objective 2 is to be valid for seven years from 1 January 2000; however, where there is a serious crisis in a given region, the Commission, acting on a proposal from a Member State, may amend the list of areas during 2003 in accordance with paragraphs 1 to 10 of Article 4, without increasing the proportion of the population within each region referred to in Article 13(2) of that Regulation,

Whereas:

- (1) Point 2 of the first subparagraph of Article 1 of Regulation (EC) No 1260/1999 provides that Objective 2 of the Structural Funds is to support the economic and social conversion of areas facing structural difficulties.
- (2) The first subparagraph of Article 4(2) of Regulation (EC) No 1260/1999 provides that the Commission and the Member States are to ensure that assistance is genuinely concentrated on the areas most seriously affected and at the most appropriate geographical level.
- (3) Commission Decision 1999/503/EC of 1 July 1999 <sup>(2)</sup>, lays down, in accordance with Article 4(2) of Regulation (EC) No 1260/1999, a population ceiling for each Member State under Objective 2 of the Structural Funds

HAS ADOPTED THIS DECISION:
